

# Circle Z Ranch—Patagonia, Arizona

Join us at Circle Z for an old time ranch adventure!

A guest ranch operated continuously since 1926. Celebrating 77 years of excellence, the Circle Z Ranch is situated on 6,500 acres at 4,000 feet altitude. Guests ride ranch-bred horses through the foothills of the historic Santa Rita Mountains and under huge cottonwood trees along the ever-flowing Sonoita Creek. As a quiet, family oriented ranch, we put emphasis on riding and down-home hospitality. We are known for our excellent horses and great variety of trails. We are also recognized worldwide for birding throughout the ranch and on the adjacent Patagonia Nature Preserve. Climate conditions provide the perfect home for two registered National Champion Big Trees, the largest specimen of their species growing in America, the Fremont Cottonwood measuring 42' in circumference and the Velvet Ash measuring 16'.

There are accommodations for singles and families in adobe cottages furnished in colorful southwestern decor with no distraction of televisions and in-room phones. During your stay enjoy riding, the heated pool, tennis court, Cantina, game room and cook-outs. Three bountiful meals daily are served buffet style in the main lodge's dining room.

Season Fall/Winter 2003–2004: Open October 31st–May 15th. A three day minimum stay is required.

We accept personal checks, cash, Visa & Mastercard.

Location: 60 miles south of Tucson, directly off Highway 82, 15 miles north of the Mexican border.

Member of The Dude Ranch Association.
